

About Us

Established in 1993, HarmonyCares Medical Group offers personalized medical care to patients in their home. Our care teams specialize in elderly care and are based in the heart of the communities that we serve.

Our Services

HarmonyCares Medical Group offers comprehensive, personalized in-home medical services to support your health care needs:

- In-person and telehealth visits
- Staff available to take your calls 24/7
- Medication management
- Laboratory testing and screenings
- Mobile x-ray
- Coordination of other in-home services (including home health and medical equipment)

HarmonyCares complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex in the admission, treatment or participation of its programs, services, activities or in employment.

Dedicated Care Team & Comprehensive Services

Our providers (physicians, nurse practitioners, physician assistants) and experienced staff aim for exceptional service where every patient, family member and caregiver is treated with the respect and dignity they deserve.

Care Team

- Provider
- Medical assistant who travels with the provider
- Patient care coordinators
- Schedulers
- Mobile radiology technicians
- Care management team

Frequently Asked Questions

Q Am I eligible for house calls?

A If you have difficulty getting to a doctor's office due to chronic health conditions or mobility challenges, please contact us to see how we may be able to help.

Q What days or times can I get a house call?

A Visits are typically made during standard business hours, Monday thru Friday.

Q What if I need help after hours?

A HarmonyCares Medical Group clinical representatives and an on-call provider are available by phone to assist you if you have a health issue. Your primary care provider will also be notified.

Q What if there is an emergency?

A Feel free to contact the doctor at any time; we will typically schedule a sick visit within 24 to 48 hours. However, if it is a life-threatening emergency, please call 911 or go to the emergency room.

Q How often will I be seen?

A Your health care needs will determine house call frequency. If you are sick and experiencing issues, your provider will see you more often. Your HarmonyCares Medical Group provider will create a care plan with you for overall health management.

Q What if I have to go to the hospital?

A HarmonyCares Medical Group works with area hospitals and will continue your health care before and after your hospital stay.
