

EXCITING NEWS FOR PRIMROSE CENTER PANTHERS, FAMILIES AND CAREGIVERS!

We are excited to announce that Primrose Center is continuing to work with HarmonyCares Medical Group to bring the doctor's office to you.

Our goal is to make accessing quality healthcare easier for the individuals and families we serve by bringing care to a familiar and comfortable environment. And, as always, there is NO COST to you or your Primrose Center Panther for this service.

HarmonyCares Medical Group Services

HarmonyCares provides comprehensive health care services for eligible individuals, including:

- Routine medical care and wellness visits
- Chronic condition and medication management
- Preventive care, health screenings, lab work and diagnostic services
- Care coordination and ongoing care management
- 24/7 urgent care line
- Prescription refills

You Can Keep Your Current Primary Care Provider

Choosing to receive care from HarmonyCares does not mean you have to give up your current primary care provider if you have one.

HarmonyCares provides primary care services at Primrose Center for eligible individuals. If you choose to participate, you can continue seeing your current provider while also having access to HarmonyCares' services at Primrose Center.
